Description: The snowshoe tour starts at the car park at the entrance to the Hollersbach Valley. After strapping on your snowshoes, the hike will follow the path along the Hollersbach Reservoir before branching off into the forest. Clearings provide frequent views of the snow-covered Hollersbach and Salzach valleys. Following old and hidden paths, the tour will take about 1.5–2 hours to reach the Sahnealm inn, where you can take a short break. Return along a well-maintained path with views of Hollersbach and the Salzach Valley.
